The Ranger Pride Education Foundation Board of Trustees is made up of Dufur School administration, teaching staff, students and community members. We appreciate these volunteers investing time, treasure, and talent to ensure that Dufur School and the Foundation continues to be successful.
THANK YOU!

FOUNDATION FOCUS

RPEF has two areas of focus, scholarship and education funds. With our healthy scholarship funds we are able to award \$80,000- \$90,000 to graduating seniors on an annual basis. That funding will remain unchanged and the board will continue to award 5-7 scholarships each year to Dufur Graduates.

To help us reach our long term strategic goals of endowing teaching positions, the Board of Trustees has shifted the investment focus to grow two of our education funds; Ranger TECH and the Barbara Garner Endowment for Arts in Education. By strategically shifting these investments we intend to strengthen both funds to a million dollars each in the next 5-7 years. This will allow for not only an incredible continued investment for our graduates, but to also support ALL students of Dufur School with additional programming and educators for CTE, Art, STEM and Music.

Our Mission:

The Ranger Pride Education Foundation engages the power of community, connects generous citizens with education, and provides resources for students to excel inside and outside of the classroom for Dufur Schools.

Halloween Carnival & Alumni Social October 21st

Calling all Rangers! We want you to join us at the 2023 Halloween Carnival & Alumni Social Saturday October 21st at Dufur City Park.

This event will kick off our new Ranger Alumni Association and help us connect with Rangers all over the world.

The carnival will host fun games including Spooky Putt Putt golf, pumpkin painting, bobbing for apples, the fishing game, food, prizes, and more!

Enter for your chance to win an amazing Ranger Basket and show off your Ranger Pride!
